Historical Day Slated for This Saturday

It seems only yesterday that the Historical Society and the Historical Commission went before the Township Board and requested that a proclamation be approved setting aside the second Saturday of each September as Huron Township Historical Day.

With proclamation in hand, we held our first Historical day in 1998 and the community immediately embraced this new tradition. On September 13th, we will celebrate our 6th anniversary and it promises to be the best yet.

The day will be filled with music, games, food, stories and

good fellowship. As always, there will be a few surprises.

Volunteers will be on select intersections in the Township passing out the "Ye Olde Village News." They will man the intersections from 9:00 a.m. to 12:00 noon and your donations will be appreciated. Your financial support will help the Historical Society carry out its various projects during the year.

The Huron Township Chamber of Commerce will provide the food and refreshments. We appreciate this organization's help each year.

We will have "low tech" (old fashion) games for the chil-

dren. There will be "best dressed" awards for adults and children. We urge all citizens to dress up in some kind of historical clothing. However, don't let that keep you away. Your friendship and participation are more important. We will have musical entertainment and likely a few surprises will be in store as we celebrate our past, consider our present and contemplate our future.

Make sure you bring a friend, bring a lawn chair and spend some time visiting old friends and enjoy good conversation.

To volunteer, please call
734-753-4416.

Ma and Pa Kittle say, "Come and sit for a spell."

Two Communities not on Board as of the 8-27 Meeting

Equalization Basin Process Continues

BY MARGARET O'KELLEY

At the August 27th Huron Township Board meeting, Supervisor Mitchell brought the retention basin issue back to the table for discussion and action.

In prior issues, we have reported the DEQ is forcing the members of the sewer authority to build a retention basin to ease the discharge into Lake Erie. We have reported the DEQ has threatened to build the project and that could mean increased costs.

The supervisor advised that five communities were on board (Brownstown, Gibraltar, Huron, South Rockwood and Van Buren). He advised two communities have yet to agree and stated they were Flat Rock and Woodhaven.

He stated “we” needed to move forward by approving a resolution to be signed by all the members. The resolution asked for Huron Township concurrence to the allocation formula of 14.8% at a bid price of \$14,100,000. The supervisor went on to repeat the recent bid resulted in a savings below the anticipated costs.

Trustee O'Kelley stated he had no real problem with the resolution and felt that while it was a formality, it was important to proceed with accepting the resolution. He again urged the Board to formally approve the method in which the Township would pay for their share.

The supervisor seemed agreeable to this and the Board seemed prepared to act

when Treasurer Skrzycki began to ask a series of questions and make comments. He had missed the prior Board meeting and many of his questions and comments had been addressed at that time. However, the Board members allowed him to readdress the issue.

He asked the supervisor what actually he (the supervisor) was asking for them to do? He stated he thought the Board had already acted on the issue. The Supervisor and Kent Early, the Township engineer, explained it was a resolution regarding acceptance of the costs and what our share was.

Trustee O'Kelley interjected it should be the same resolution provided to the Board several meetings ago except for the figures.

The treasurer then asked how other communities were paying their obligation. The supervisor did not give him a direct answer but said it would be either by parcel or by the users. He went on to

say that in Huron Township each user would pay about \$60 per year. He added if the process did not move forward the project would cost considerably more. He said the current projected costs were based on a favorable 2-1/2% interest rate.

The treasurer then asked the township attorney about the implications of the "Bolt Case" as it applied to the proposed funding method. The attorney advised that it did not apply because only the users would be paying the costs.

He then asked what would happen when additional users got on line. The attorney and the supervisor told him the costs would be pro rated downward. He also asked how many users there were in the township and he was told about 2200. In response he said then the costs would not be \$60 a year but double that. Several board members quickly reminded him the \$60 was based on the total number of users and not

based on all the residents in the township.

Eventually the resolution was passed and the Board went on to the task of passing a motion to fund the program. Trustee O'Kelley made a motion to pass the charge on to the sewer users and to review the rate every year prior to July 1st. He added the charge would be spread out on the quarterly sewer bill.

The treasurer then asked why we would want to consider the funding method when two other communities had not agreed to the program. He suggested they wait until all members were on board. Apparently frustrated, O'Kelley said he was willing to withdraw the motion and wait until later.

However, Trustee Adkins said the people have a right to know how the program was going to be paid for. This seemed to sum up the sentiment of the remainder of the Board and the motion passed unanimously.

Hot Summer Nights 2003

BY MARGARET O'KELLEY

The 7th Annual Hot Summer Nights was held in Monroe on August 9, 2003. Friendly Ford of Monroe is the sponsor for the fundraiser. The event offered food, drinks, ice cream, balloons for the kids, raffle drawings,

live auctions, and live entertainment for the 1000 plus spectators. A car cruise through downtown Monroe was the highlight of the day. The cruise was open to trucks, street rods, customs, street machines, etc. Each year an official count is taken at 3:00 p.m. and the total for this year was 284 vehicles.

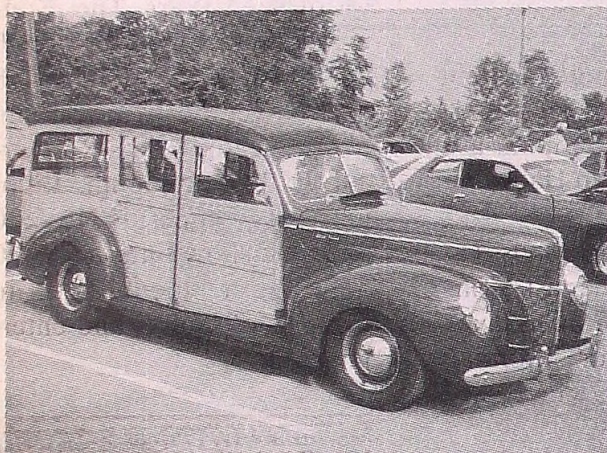

The recipient of the fundraiser is Mercy Memorial Hospice, of Monroe and according to Neil Helfrich and Tom Benko of Friendly Ford, the 2003 event proved to be a tremendous success. They currently have an unofficial count of \$20,000 as money is still being donated. Sometime in

November, a luncheon will be scheduled and a check will be presented at that time.

It was told to this reporter by Tom Benko, "The people of Monroe support this fundraiser — they really dig deep into their pockets. It provides the opportunity for us local businesses to express our deep concern for the

Mercy Program. We enjoy doing the event and always have a good time. This year the weather was good and the crowd was steady."

This event is held each year in conjunction with the Monroe Jazz Festival. The 2004 Cruise is scheduled for August 14th, the weekend after the Monroe County Fair.

TIPS FROM A TO Z

UMBRELLA — What to do with a wet one when shopping - take a plastic bag with you so you can place it in the bag while shopping.

VALENTINE MAIL — To get your Valentine cards postmarked "Valentines," bundle them up and put them in a larger envelope and mail them to Postmaster of Valentines, Valentines, VA 23887-9998. Make sure they all are properly addressed to the person you are sending them to.

WATCH — When you are allergic to the metal, either paint the back side of the watch with clear nail polish or cut corn pads to fit the back of the watch.

YARN — Plastic six-pack rings will hold looped yarn strands or partial skeins of yarn so that they can be stored neatly.

ZIPPER — Quick fix for stuck zippers, rub the teeth with a dry bar of soap or candle and zip

Spicy Tomato Soup

Almost everyone agrees that a bowl of tomato soup and a grilled cheese are the most comforting combination. I love plain tomato soup but a few years ago, I decided to kick it up a notch with a few extras.

Spicy Tomato Soup

- | | |
|--------------------------------|----------------------|
| 1 - 10-3/4 oz. can Tomato Soup | 1 tsp. Beau Monde |
| 1 can Water | 1 tsp. Seasoned Salt |
| 1 Tbs. Worcestershire | 1/4 tsp. Pepper |
| 1-2 dashes Hot Pepper Sauce | 1 Tbs. Butter |

Combine all of the ingredients in a sauce pan or micro dish and heat to boiling.

Sixth Annual Huron Township Historical Day Saturday, September 13th

Volunteers are needed to assist in working street intersections for a few hours to pass out the *Ye Olde Village News*. We also need volunteers to assist in the children's games that are slated for that day.

The festivities will be held at the Historical House in New Boston from 1-4:00 p.m. This year the Huron

Township Chamber of Commerce will provide the food and refreshments.

We will have "low tech" (old fashioned) games for the children. There will be "Best Dressed" awards for adults and children. We urge all citizens to dress up in some kind of historical clothing. There will also be musical entertainment and there are likely to be a few surprises in store as we celebrate our past, consider our present and contemplate our future.

Make sure you bring a friend, bring a lawn chair and spend some time visiting old friends and enjoy good conversation.

To volunteer please call 734-753-4416.
